| Review and Discuss Role and Duties of Tree Board And November's Trees Across Sugar Land Event | | | |
| EXECUTIVE SUMMARY | | | |
| <p>The City Council approved changes to Chapter 11, Article III, Section 2-62 of the Code of Ordinances at their meeting of May 4, 2010. The change to the ordinance broadened the roles and responsibilities of the Parks and Recreation Advisory Board. One of the expanded roles of the Board is to “serve as the city tree advisory board by advising on matters relating to the development and administration of a comprehensive tree management plan, inclusive of planting, maintenance, preservation, and removal of trees on public property or public right-of-way owned or controlled by the city.”</p> <p>Parks & Recreation Department staff will discuss the roles and duties of the tree advisory board and also review the details of the upcoming Trees Across Sugar Land tree planting in Oyster Creek and Lost Creek Parks on November 13th.</p> | | | |
